It is a 3 day retreat that provides an experience in Christian living and it is open to any young adults of any denomination. You will find time for reflection as well as be able to share your feelings and thoughts with others in a non-judgmental atmosphere. It is an exciting weekend in which you will meet other young Christians from the Jefferson City diocese.

# Who is TEC For?

TEC has 2 different names for those people that experience a retreat, those names are candidates and observers. Both candidates

*“Unless a grain of wheat falls to the earth and dies, it remains a single grain. But if it dies it produces much fruit.” John 12:24*

and observers have the same experiences on a TEC weekend. The majority of the participants are candidates, but observers lend a wonderful perspective to the weekend.

**Candidates** are young adults entering their Sophomore Year in H.S. through age 23.

Any faith denomination is welcome.

**Observers** are any adults over the age of 23.

TEC weekends are open to all that would like to participate in a TEC retreat.

**Team Members** can be any person that has experienced a TEC retreat as either a candidate or observers. This includes people that have made TECs in other dioceses.
